Bring your GVR card and sign in at the door.

Weekly presentations that are mind-expanding, informative and challenging

September 5

“Port Royal – The Sunken Pirate City” A National Geographic Video. Hidden beneath the waters near Jamaica lie the ruins of Port Royal, the biggest pirate city of all time. Archaeologist Dr. Jon Henderson uses the latest high tech scientific survey to reveal the extent of this 33-acre sunken city destroyed by an earthquake and a tsunami.

September 12

“The Desert Comes to Life” Doris Evans, retired nature instructor and lecturer using a mini-camera has captured video clips of many Arizona backyard critters going about their daily activities. Watch as squirrels, quail, lizards, coyotes, a variety of birds, javelinas and other critters perform before Doris's “Candid Camera”.

September 19

“Foot Pain Symptoms, Causes and Solutions” Cal Keegan, Pedorthist with Simply Feet, will discuss the most common types of foot pain and problems, He will explain how they occur and offer solutions to reduce or alleviate pain using orthotics, arch supports, special shoes or sandals.

September 26

“The Mission of the 309th AMARG (The Boneyard)” Doug Herndon, Chief of History 355th Fighter Wing at Davis-Monthan AFB will explain the operations and services of the largest graveyard in the world for obsolete aircraft. Some of the services include aircraft storage, parts reclamation, restoration to flight and overhaul and disposal.
