9/4/2019 Earthflight

Earthflight is a British nature documentary that shows a flight from the view of the wings of birds across six continents, showing some of the world's greatest natural spectacles from a bird's-eye view. The BBC series was created by John Downer and narrated by David Tennant.

9/11/2019 Central Arizona Project. Your Water. Your Future

In the early 20th century, Arizona's leaders knew the state's future depended on a water supply that was secure. Stable. Renewable. They pursued that vision; the result was Central Arizona Project (CAP), a 336-mile system that brings Colorado River water to central, and southern Arizona, is the state's single largest renewable water supply and serves 80% of the state's population. For more than 30 years, CAP has reliably delivered water; however, we are now dealing with extended drought and overallocation of the Colorado River. To combat potential shortage, CAP is working with its partners to find solutions and protect our future water supplies.
