JANUARY-FEBRUARY 2019

OUR JANUARY 2 MEETING

Our January meeting will be devoted to AVIVA. We will be cutting out fabric for tote bags. We will need several members to take the fabrics home and sew them into tote bags. The tote bags will be filled with toiletry items (which we have been collecting) and given to children under the care of AVIVA. AVIVA's mission is to improve the quality of life for children who are victims of neglect, abuse and poverty and are in the care of the Department of Child Safety.

We hope you will join us as we work on this special project. What a great way to start the new year—by helping those in need!

Our meeting begins at 1:00 pm with a short business meeting **which will include election of officers for the 2019 year.** Door prizes and refreshments will follow and then work on our AVIVA Project. We will also have fleece to tie for LINUS blankets. **Please bring a pair of scissors that can be used for cutting fabric!**

WELCOME NEW MEMBERS!

We welcome these new members who signed up at our November and December meetings.

- * Linda (Lyn) Smollen
- * John Vandebrooke
- * Laurie Wykoff

Please be sure and say hello and make them feel welcome!

Welcome!

FEBRUARY 6 GENERAL MEETING

We hope you will be able to join us for our February 6 meeting.

Lupe Roybal will be giving a presentation on "Assemblage Art". We have included a picture of one of Lupe's pieces. We will be learning how to do something similar. Lupe will be supplying all of the materials. A sign-up sheet will be available at our **January meeting** so Lupe will know how many are planning on participating in this February project.

As with all of our meetings, we will begin at 1:00 pm with a short business meeting. Door prizes will be given and refreshments will be served. Lupe's presentation will follow. We will also have fleece to tie for LINUS project blankets.

All GVR members are welcome so invite a friend!

Good news! We are currently working on a website for our GVR Arts and Crafts Association.

Les Bakke is developing our website for us. Les has developed sites for the GVR Forum Club, the SAV and others.

GVRartsandcrafts.com will be the name of our website. We are excited to show it to our members so we will keep you updated and let you know when it is up and running.

The site will have information such as About Us; Calendar; Festival; Special Projects/Events; Newsletters; Contact Us.

The Calendar section will list all of our upcoming meetings and what the meetings will be about. Interested persons will be able to download information and forms for our Annual Arts and Crafts Festival. Our Newsletters will be on our site along with minutes of previous meetings.

We will have slide show pictures of our meetings, festivals, special projects and more!

Our website will be a great way for people to find out more about us and hopefully will want to be a part of our organization!

We need your help!!! Lots of volunteers are needed to help with our Festival. The Festival is our main money-making project each year!

Sign-up sheets will be at our January meeting so check to see if there is something you can help with.

If you are a vendor and cannot help during the Festival, you can help us before the Festival begins.
