

The General Meeting Minutes of the GVR Arts and Crafts Association

December 4, 2019

The meeting was opened by President Rebe Philip at 1:00pm at the Desert Hills Center.

A short business meeting was held before the entertainment portion of the meeting. This event is the annual membership drive to get new members.

Regina Ford brought the Valley Players "Strollers" Reading Group who presented two funny Christmas-y skits.

The public was invited to enjoy the refreshments and then work on a make-n-take project hosted by Barbara Judson. It consisted on creating a small traveling case, ornament-sized, from an Altoids Mints metal container. Both the public and the members created some great variations on the theme of the project.

Respectfully submitted,

Secretary Constance O'Brien
